

B3 MAINTENANCE GROUP

CAPABILITY STATEMENT · STAFFING · MRO · MANUFACTURING

SDVOSB

SBA VETCERT CERTIFIED

COMPANY OVERVIEW

B3 Maintenance Group LLC is an SBA-certified Service-Disabled Veteran-Owned Small Business that keeps aircraft mission-ready. We place certified A&P technicians, send on-site maintenance teams, and source the parts that return grounded aircraft to service through vetted partner machine shops and authorized vendors, all under one contract. The company is founded and led by an FAA Airframe & Powerplant-certificated service-disabled veteran.

CORE COMPETENCIES

Aviation Staffing 561320 · 561311	Maintenance & MRO 488190
- FAA A&P technician placement - Direct hire, contract, temp, and temp-to-perm - Vetted veteran talent pools	- On-site maintenance teams - AOG recovery support - Scheduled and unscheduled maintenance support
Precision Manufacturing 332710	Aircraft Parts 336413
- CNC-machined brackets and fittings through partner shops - Specialized hardware built to drawing - Traceable, documented delivery	- Expedited sourcing for AOG needs - Machined and supplied components - FSC 1560 and 5340
Procurement & Supply 423860	
- Aircraft parts and supplies from authorized vendors, supporting DLA, DIBBS, and SAM.gov requirements	

DIFFERENTIATORS

A&P-led	Run by a certificated mechanic who knows the work from the flight line and scopes it accurately.
One source	People, maintenance, and parts from a single small business. One contract, one point of contact.
VetCert	SBA-certified SDVOSB. Eligible for SDVOSB set-aside and sole-source awards, and helps primes meet veteran subcontracting goals.
ITAR	Registered with the State Department (DDTC) for defense work involving export-controlled hardware and technical data.

KEY PERSONNEL EXPERIENCE
